water pump refurbished (with Pulley) distributor refurbished DK4A 156 timing gears and chain (good) thermostat housing with thermostat thermostat housing with thermostat thermostat housing with thermostat thermostat housing empty valves 1 set valves I: 32mm (new), O: 34,5 mm (used grinded) 1 set Opel Kadett valves new I: 32 mm O:36 mm 4 new valves I: 32,5 mm good 4 gudgen pins (and 4 more in old pistons) 1 good diff 1 broken diff. (CW&P def., for parts) new set 4,7:1 C&P for assembling (new production for SVW register, Guest-Gear) rear axle housing cleaned and painted 2 wire wheels 2 brake drums 2 base plates rear 1 torque reaction cable 2 rear hubs (bearing carrier) 4 brake shoes (1 pair f. rear, 1 pair f. front) 2 clutch with plate B column (wood, new) rh Tourer 1 rear leaf spring 1 Luvax shock absorber (round, in parts) 1 Luvax shock absorber (round, in parts) 1 Luvax shock absorber (round, in parts) 1 break cylinder rear 1 1/4" for refurbishing 4 break cylinder pistons front 1 5/16 (+4 press pins) 3 paper oil filter: KN-158, KN-161, Knecht OX807 2 kingpins used with 4 new bushes 2 Lucas rear reflectors (cat eye lenses) slanted 3 brake hose connectors for front (brass) inlet manifold (needs welding) engine front cover (with mod. f. modern lip seal) engine front cover (with mod. f. modern lip seal) engine front cover (with mod. f. modern lip seal) engine front cover (with mod. f. modern lip seal) engine front cover (with mod. f. modern lip seal) engine front cover (with mod. f. modern lip seal) engine front cover (with mod. f. modern lip seal) engine front cover (with mod. f. modern lip seal) engine front cover (with mod. f. modern lip seal) engine front cover (with mod. f. modern lip seal) engine front cover (with mod. f. modern lip seal) engine side cover control box base plate 3 water knees 5 chrome botts for windscreen, 3 pcs, 2" long enew windscreen glass (tourer) 5 chrome botts for windscreen, 3 pcs, 2" long enew windscreen glass (tourer)	engine block (dry clutch type) head complete (valves, springs, rockers and shaft) cam (good, with 2 thick shells, one is bronze) 3 sets of conrods crank cam follower (6 good, 2 for grinding) 1 set push rods	700 300 50 300 200 20
thermostat housing with thermostat thermostat housing empty valves 1 set valves I: 32mm (new), O: 34,5 mm (used grinded) 1 set Opel Kadett valves new I: 32 mm O:36 mm 4 new valves I: 32 4 used valves O: 34,5 mm good 4 gudgen pins (and 4 more in old pistons) 20 1 good diff 1 proken diff. (CW&P def., for parts) new set 4,7:1 C&P for assembling (new production for SVW register, Guest-Gear) rear axie housing cleaned and painted 2 wire wheels 2 brake drums 2 brake drums 2 base plates rear 4 torque reaction cable 2 rear hubs (bearing carrier) 4 brake shoes (1 pair f. rear, 1 pair f. front) 2 clutch with plate B column (wood, new) rh Tourer 1 rear leaf spring 1 Luvax shock absorber (round, in parts) U-bolts f. rear axie 1 set old, 1 set new (widths?) 6 leaf spring shackles and 3 hollow bolts 1 break cylinder rear 1 1/4" for refurbishing 4 break cylinder pistons front 1 5/16 (+4 press pins) 3 paper oil filter: KN-158, KN-161, Knecht OX807 2 kingpins used with 4 new bushes 2 Lucas rear reflectors (cat eye lenses) slanted 3 brake hose connectors for front (brass) inlet manifold (needs welding) engine front cover (with mod. f. modern lip seal) engine side cover control box base plate 3 water knees starter handle 1 Jackall cylinder with screw-on footer (no ram) long manifold nuts, 8 pcs Chrome bolts for windscreen, 3 pcs, 2" long new windscreen glass (tourer) 5 constants 6 constants 6 constants 7	water pump refurbished (with Pulley)	50 100 150
1 good diff 1 broken diff. (CW&P def., for parts) 1 proken diff. (CW&P def., for parts) 1 new set 4,7:1 C&P for assembling (new production for SVW register, Guest-Gear) 1 rear axle housing cleaned and painted 2 wire wheels 2 brake drums 2 base plates rear 4 torque reaction cable 2 rear hubs (bearing carrier) 4 brake shoes (1 pair f. rear, 1 pair f. front) 2 clutch with plate B column (wood, new) rh Tourer 1 rear leaf spring 2 tuvax shock absorber (round, in parts) 2 U-bolts f. rear axle 1 set old, 1 set new (widths?) 6 leaf spring shackles and 3 hollow bolts 1 break cylinder rear 1 1/4" for refurbishing 4 break cylinder pistons front 1 5/16 (+4 press pins) 3 paper oil filter: KN-158, KN-161, Knecht OX807 2 kingpins used with 4 new bushes 2 Lucas rear reflectors (cat eye lenses) slanted 3 brake hose connectors for front (brass) inlet manifold (needs welding) engine front cover (with mod. f. modern lip seal) engine side cover control box base plate 3 water knees 2 chrome bolts for windscreen, 3 pcs, 2" long new windscreen glass (tourer) 3 sum 3 625	thermostat housing with thermostat thermostat housing empty valves 1 set valves I: 32mm (new), O: 34,5 mm (used grinded) 1 set Opel Kadett valves new I: 32 mm O:36 mm 4 new valves I: 32 4 used valves O: 34,5 mm good	30 25 20 50
2 base plates rear 1 torque reaction cable 2 rear hubs (bearing carrier) 4 brake shoes (1 pair f. rear, 1 pair f. front) 2 (dutch with plate 8 column (wood, new) rh Tourer 1 rear leaf spring 2 Luvax shock absorber (round, in parts) 2 U-bolts f. rear axle 1 set old, 1 set new (widths?) 6 leaf spring shackles and 3 hollow bolts 1 break cylinder rear 1 1/4" for refurbishing 4 break cylinder rear 1 1/4" for refurbishing 5 paper oil filter: KN-158, KN-161, Knecht OX807 2 kingpins used with 4 new bushes 2 Lucas rear reflectors (cat eye lenses) slanted 3 brake hose connectors for front (brass) inlet manifold (needs welding) engine front cover (with mod. f. modern lip seal) engine side cover control box base plate 3 water knees starter handle 1 Jackall cylinder with screw-on footer (no ram) long manifold nuts, 8 pcs Chrome bolts for windscreen, 3 pcs, 2" long new windscreen glass (tourer) 3 625	1 good diff 1 broken diff. (CW&P def., for parts) new set 4,7:1 C&P for assembling (new production for SVW register, Guest-Gear) rear axle housing cleaned and painted	200 50 500 200 80
B column (wood, new) rh Tourer 1 rear leaf spring 2 Luxax shock absorber (round, in parts) U-bolts f. rear axle 1 set old, 1 set new (widths?) 6 leaf spring shackles and 3 hollow bolts 1 break cylinder rear 1 1/4" for refurbishing 4 break cylinder pistons front 1 5/16 (+4 press pins) 3 paper oil filter: KN-158, KN-161, Knecht OX807 2 kingpins used with 4 new bushes 2 Lucas rear reflectors (cat eye lenses) slanted 3 brake hose connectors for front (brass) inlet manifold (needs welding) engine front cover (with mod. f. modern lip seal) engine side cover control box base plate 3 water knees starter handle 1 Jackall cylinder with screw-on footer (no ram) long manifold nuts, 8 pcs Chrome bolts for windscreen, 3 pcs, 2" long new windscreen glass (tourer) 3 control solutions as possible sums and solutions.	2 base plates rear 1 torque reaction cable 2 rear hubs (bearing carrier)	40 40 5 20 20
1 set old, 1 set new (widths?) 6 leaf spring shackles and 3 hollow bolts 1 break cylinder rear 1 1/4" for refurbishing 4 break cylinder pistons front 1 5/16 (+4 press pins) 3 paper oil filter: KN-158, KN-161, Knecht OX807 2 kingpins used with 4 new bushes 2 Lucas rear reflectors (cat eye lenses) slanted 3 brake hose connectors for front (brass) inlet manifold (needs welding) engine front cover (with mod. f. modern lip seal) engine side cover control box base plate 3 water knees starter handle 1 Jackall cylinder with screw-on footer (no ram) long manifold nuts, 8 pcs Chrome bolts for windscreen, 3 pcs, 2" long new windscreen glass (tourer) 3 control box base plate 4 control box base plate 5 control box base plate 6 control box base plate 7 control box base plate 9 control box base p	B column (wood, new) rh Tourer 1 rear leaf spring 1 Luvax shock absorber (round, in parts)	30 20 20 35
2 Lucas rear reflectors (cat eye lenses) slanted 3 brake hose connectors for front (brass) 30 inlet manifold (needs welding) engine front cover (with mod. f. modern lip seal) engine side cover control box base plate 3 water knees starter handle 1 Jackall cylinder with screw-on footer (no ram) long manifold nuts, 8 pcs Chrome bolts for windscreen, 3 pcs, 2" long new windscreen glass (tourer) 100 3629	1 set old, 1 set new (widths?) 6 leaf spring shackles and 3 hollow bolts 1 break cylinder rear 1 1/4" for refurbishing 4 break cylinder pistons front 1 5/16 (+4 press pins) 3 paper oil filter: KN-158, KN-161, Knecht OX807	10 30 10 10 10
starter handle 1 Jackall cylinder with screw-on footer (no ram) long manifold nuts, 8 pcs Chrome bolts for windscreen, 3 pcs, 2" long new windscreen glass (tourer) 100 sum	2 Lucas rear reflectors (cat eye lenses) slanted 3 brake hose connectors for front (brass) inlet manifold (needs welding) engine front cover (with mod. f. modern lip seal) engine side cover	10 30 10 20 10 5
sum 3629	starter handle 1 Jackall cylinder with screw-on footer (no ram) long manifold nuts, 8 pcs	20 15 10 4 5
	new windscreen glass (tourer)	100
	sum package price negotiable	3629
