

VA-Parts

engine block (dry clutch type)	700
head complete (valves, springs, rockers and shaft)	300
cam (good, with 2 thick shells, one is bronze)	50
3 sets of conrods	300
crank	200
cam follower (6 good, 2 for grinding)	20
1 set push rods	20
oil pump (good)	50
water pump refurbished (with Pulley)	100
distributor refurbished DK4A	200
control box LRT-9 (without cover)	250
control box base plate	5
timing gears and chain (good)	30
thermostat housing with thermostat	25
thermostat housing empty	20
valves	50
1 set valves I: 32mm (new), O: 34,5 mm (used grinded)	
1 set Opel Kadett valves new I: 32 mm O:36 mm	
4 new valves I: 32	
4 used valves O: 34,5 mm good	
4 gudgeon pins (and 4 more in old pistons)	20
1 good diff	200
1 broken diff. (CW&P def., for parts)	50
new set 4,7:1 C&P for assembling (new production for SVW register, Guest-Gear)	500
rear axle housing cleaned and painted	280
gearbox complete	600
2 brake drums	40
2 base plates rear	40
1 torque reaction cable	5
2 rear hubs (bearing carrier)	20
4 brake shoes (1 pair f. rear, 1 pair f. front)	20
clutch with plate	30
B column (wood, new) rh Tourer	20
1 rear leaf spring	20
1 Luvax shock absorber (round, in parts)	35
U-bolts f. rear axle	
1 set old, 1 set new (widths ?)	10
6 leaf spring shackles and 3 hollow bolts	30
1 break cylinder rear 1 1/4" for refurbishing	10
4 break cylinder pistons front 1 5/16 (+4 press pins)	10
3 paper oil filter: KN-158, KN-161, Knecht OX807	10
2 kingpins used with 4 new bushes	25
2 Lucas rear reflectors (cat eye lenses) slanted	10
3 brake hose connectors for front (brass)	30
inlet manifold (needs welding)	10
engine front cover (with mod. f. modern lip seal)	20
engine side cover	10
3 water knees	20
Chrome bolts for windscreen, 3 pcs, 2" long	5
new windscreen glass (tourer)	100
